# EDUCATION PARTNER

## *Technician Level Program*

### Find Success & Build Your Future

Recognized across Canada by employers and clients, the Certified Professional Bookkeeper (CPB) designation sets the national standard for bookkeeping. Reviewed every two (2) years, our knowledge expectations ensure members have the knowledge, skills, and experience needed to guide and support their success.

**Increase your visibility. Enhance your professional brand. Take your career to the next level.**

### PROGRAM BENEFITS

- ✓ Our partners base their curriculum on CPB Canada's knowledge expectations to ensure their graduates have the practicum needed to work at the Technician level.
- ✓ Enrolled students gain access to CPB Canada's Student Affiliate membership for just \$50 annually. Get ready to connect with like-minded professionals and stay informed about the latest in business, workflow, technology, accounting practices and more!
- ✓ Technician level program graduates are Fastracked on our Certification Pathway, **waiving the two (2) year work experience requirement.**

### SHARE YOUR ACHIEVEMENTS

Technician level members are rewarded with a CPB Canada digital badge of achievement backed by metadata detailing the requirements met for the level. This data is verified electronically and provides members, and the public, with proof that you have the knowledge expectations and experience that meet our national standard.
