

# CPB Canada Education Partner Program

Partner with the largest and fastest-growing certifying body recognized for setting the national standard for Canadian bookkeepers.

## Eligible institutions

[Government of Canada's Designated Educational Institutions](#) are eligible to register their program with CPB Canada.

## Exclusive student benefits

Waived work experience requirements for students at the Apprentice or Technician level, upon successful completion of the approved program, and access to become an "Affiliate Student" member for just \$50 per year.

## Program completion

Upon successful completion of the program, verified graduates will need to become or convert to Non-Certified members of CPB Canada. Graduates are then eligible to apply at program's equivalent Certification Pathway level to have the work experience requirement waived. The entry test must be passed with a mark of 80% or higher.

## Program requirements

Program instructors complete an application form, agreeing that curriculum in the submitted program(s) will cover [Knowledge Expectations](#) at the Apprentice or Technician level.

## Helping students succeed

[Membership](#) provides approved students with access to the CPB Canada webinar library, Regional Meetings, and Career Centre. Proof of enrollment is required.

## Why sign up?

### Help your graduates:

- Pursue a career in bookkeeping
- Increase their visibility, enhance their professional brand, and gain recognition through our Certification Pathway to CPB Designation while earning verifiable [digital credentials](#)
- Technicians can attempt the CPB level after only 1 year of referenced work experience (3-year minimum typically required)
- Join the CPB Canada community and connect with like-minded professionals across Canada
